**RE: Submission in Relation Proposed Draft County Development Plan
2021 - 2027 for my client Joe Synnott for extending the Village Boundary
of Roundwood, Co. Wicklow.**

We have been instructed by our client Joe Synnott in relation to the proposals contained in the Draft County Development Plan 2021 - 2027 with particular reference to the council considering extending the village boundary of Roundwood to include the village cemetery.

At present the local cemetery is outside the current village boundary for Roundwood and we feel that this local facility should be within the villages boundaries. My client feels that this should be the case as if it is within the boundary of the village it would be entitled to more funding for upgrading, footpaths and etc if it was within the boundary of the village.

We have attached a OS map with a scale of 1:2500 of the land in Question and the new village boundary as we are proposing.

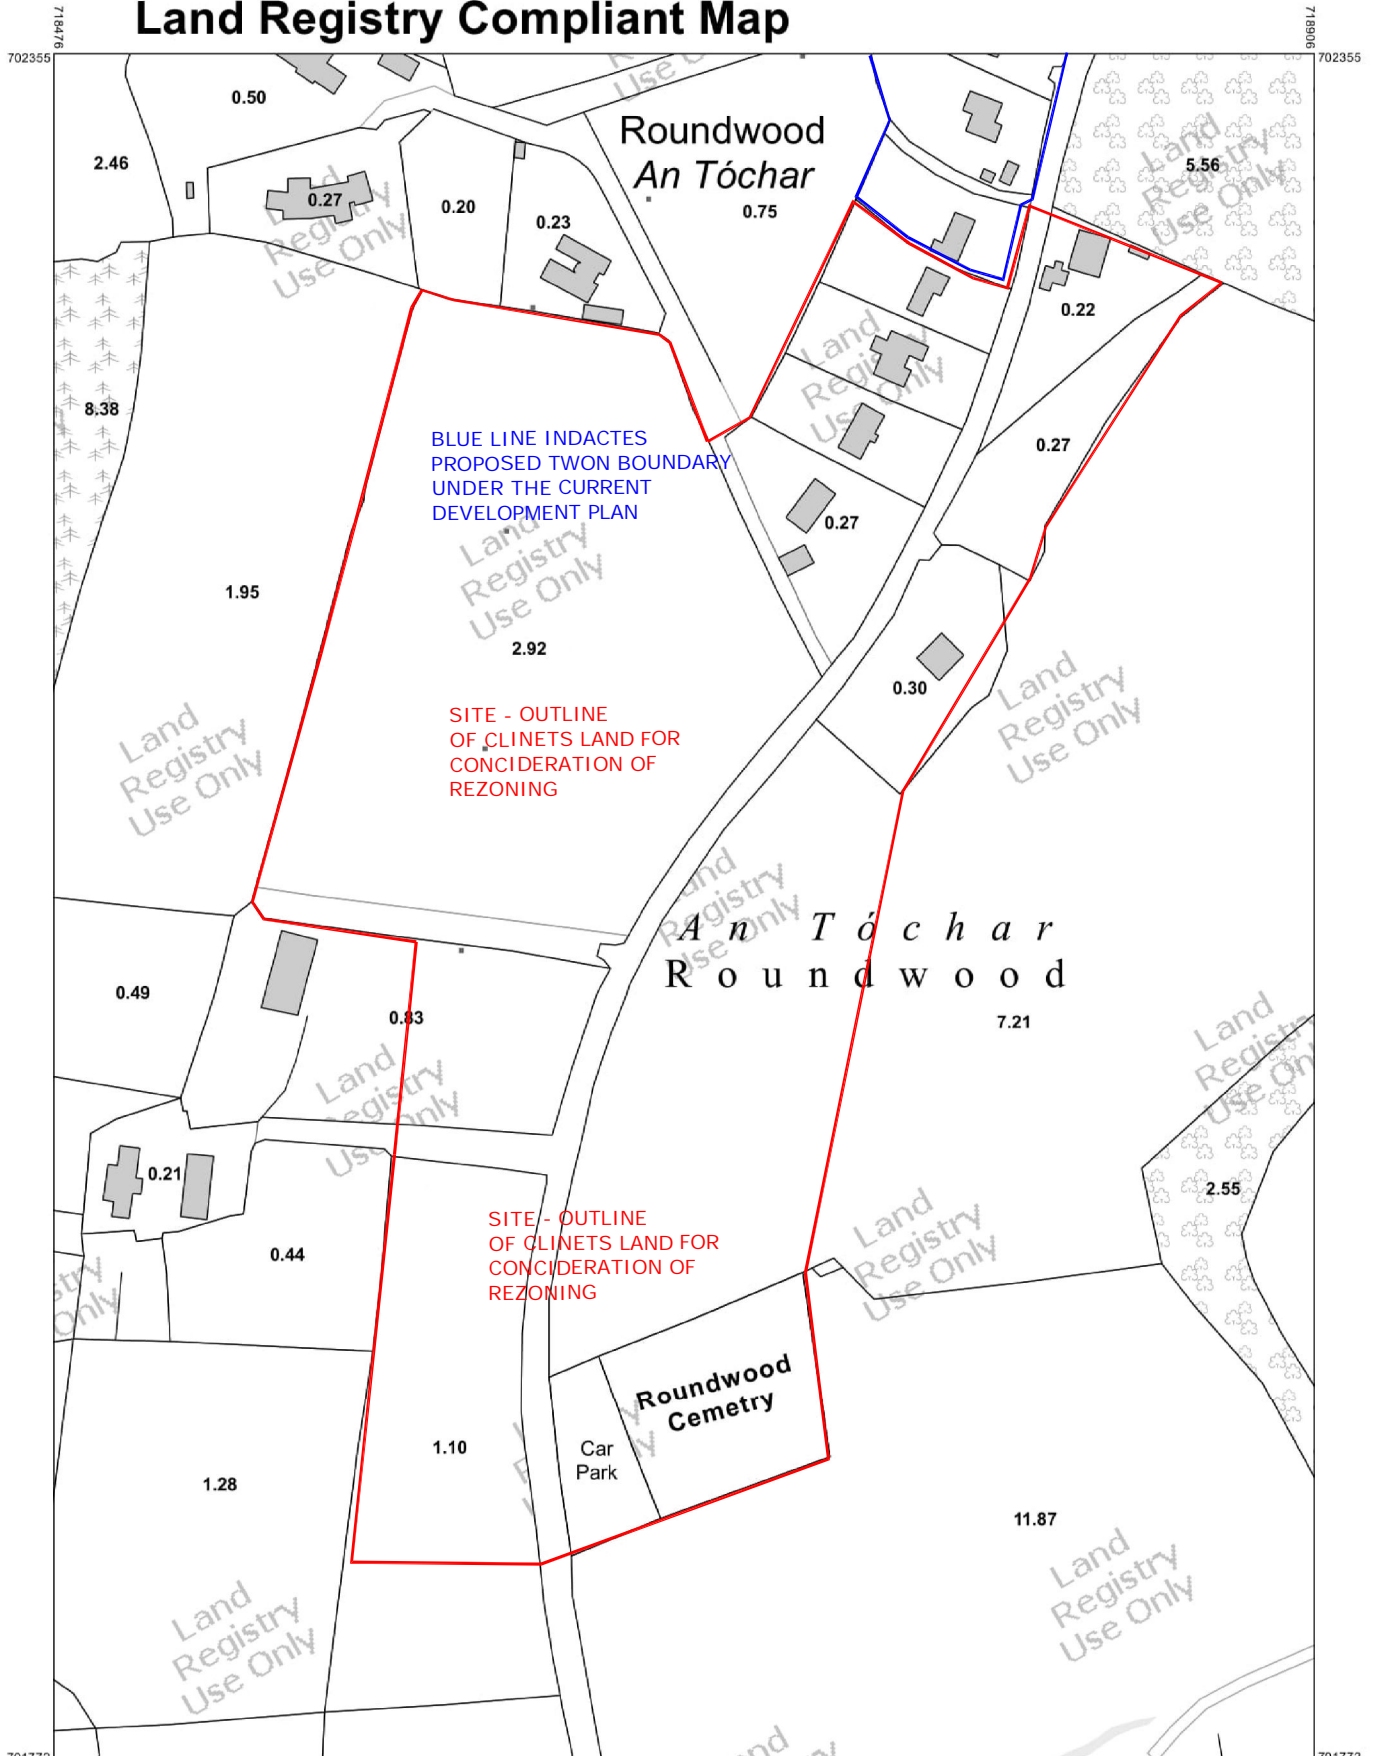

I hope you find this satisfactory and look forward to hearing form you.

Kind Regards

Signed:_____
